## TO SPEARHEAD RANCH FROM DOUGLAS (60 miles)

Take Orpha Road/Wyo 93 out of Douglas (this road is on the west end of town about 100yds north of interstate entrance ramp.) Follow this Highway for **20 miles**, turn left onto Ross Road/Converse Co. Rd #31. Follow Co. Rd #31 for **36 miles** (paved for about 25 miles, then dirt). Turnoff is to the left on top of a hill just past mailboxes, there is a black SPEARHEAD sign at the turn. It is then about **6.5 miles** to ranch.

**Heavy loads/muddy roads:** Instead of turning on top of hill past mailbox continue on county rd, following signs towards Ogallala Ranch for 7 miles. About 200yds before entering the Ogallala ranch turn left onto the red gravel road. Follow this for aprox. 3 miles and turn left. The ranch is one mile down this road.

## TO SPEARHEAD FROM CASPER/GLENROCK

Ranch is 80 miles from Casper, 60 miles from Glenrock. Take I-25 to Glenrock. Glenrock is a small community. In the middle of town is a 4-way stop sign at 4<sup>th</sup> and Birch. Turn left on Birch, go two blocks, turn right on 6<sup>th</sup> St. and follow it out of town. Turn right on Hwy 95 (Rolling Hills) and follow this road for about 20 miles to Hwy 93, turn left, go 100 yards, and turn left again onto Ross Road/Converse Co. Rd #31. (See Douglas directions for Co. Rd #31)

## TO SPEARHEAD RANCH FROM HIGHWAY 387

At approximately mile marker 118, turn south onto a dirt road. There will be a large ranch sign on the fence line that says Moore Ranch (these are relatives.) Go 100-200 yards off the highway and turn left following the Ogallala ranch sign. Continue following Ogallala signs for approximately 17 miles. As you come down off a large hill continue past the Ogallala and then turn right at the SPEARHEAD sign onto another gravel road. Follow main road for about 3 miles and you will see a SPEARHEAD sign pointing down a dirt road to the left. Another one mile into the ranch.
